

THE ICE CREAM CREATION CHALLENGE

Hello young genius-mad scientist-inventor-human!
We have a problem.
We've been trying to imagine what the world's
wildest ice cream flavour would be....and we've
completely run out of ideas. We're hoping you can help us!
It's up to you to invent the silliest, strangest,
most delicious (or most disgusting!) new ice cream
flavour you can think of.
Good luck, and let your imagination run wild!

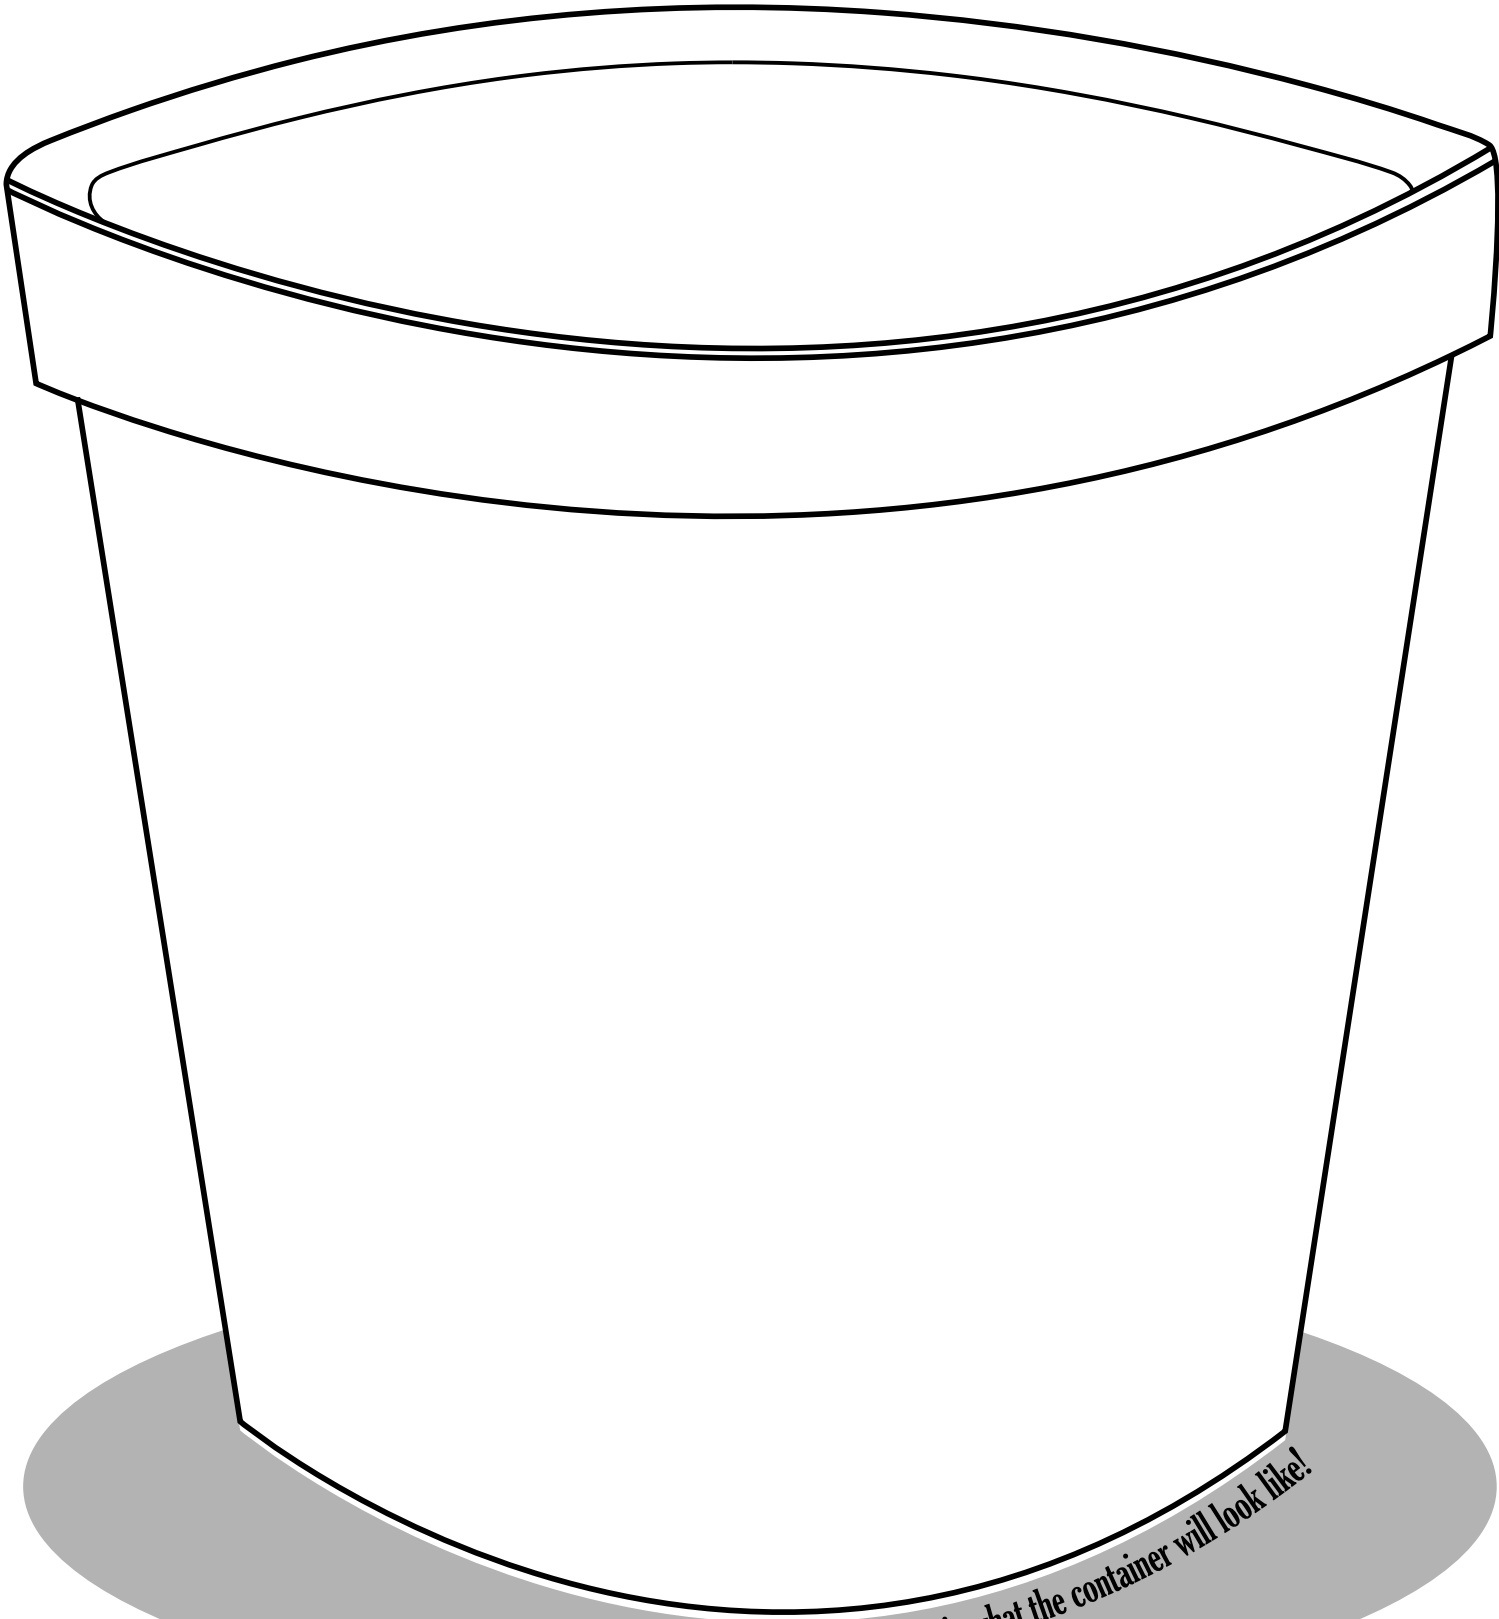

The ingredients in my new ice cream flavour will be:

My TOTALLY UNIQUE ice cream flavour will taste like:

Some names I might call my AMAZING new flavour are:
